

dr hab. MAREK WIGIER, Professor IAFE-NRI

Habilitated doctor of social sciences, in the field of economics and finance. Professor at the Institute of Agricultural and Food Economics – National Research Institute. He specializes in issues related to agricultural economics, with particular interest in CAP, international trade, agri-food markets, as well as market intervention and market imperfections. He graduated with a master's degree from the Warsaw School of Economics (SGH) and obtained his post-doctoral degree at the Institute of Agricultural and Food Economics National Research Institute. He was a scholarship holder at the École Nationale Supérieure d'Agronomie (France), the European Institute of Public Administration (the Netherlands), the Histadrut International

Institute for Labour Studies (Israel), and the International Visitor Leadership Program (USA). He has led and participated in numerous national (including projects funded by the National Science Centre and the National Centre for Research and Development) and international research projects (including EU-funded), as well as evaluation studies (both national, including for the Ministry of Agriculture and Rural Development, and international). Since 1994, he has been professionally affiliated with IAFE-NRI. He currently serves as the Director and Professor.
